⚠️ **Do not ship with the UAV's batteries. Make sure RC and Tablet batteries are below 30% of charge.**

Return Form

Ticket number #	Flyability RMA #
--------------------------------	--------------------------------

Nature of return	☐ Maintenance / Repair │ ☐ End of Leasing/renting/exchange
Company	
Contact Name	
Email	
Phone number	
Adress	

Any return without prior Flyability contact and non-completed form will be refused.

Condition of shipped items

In order to protect our employees, Flyability must be informed* of any potential risk of contamination

In which type of environment the drone has flown lately?
(e.g. Insdustrial Boiler/ Sewers /Acid storage tank/Cement factory)

Has this drone been contaminated by hazardous substances?
(e.g. toxic, corrosive, radioactive etc.)   ☐ Yes / ☐ No

If yes, explain which kind and the precautions to take (attach MSDS if necessary):

*Providing false or incomplete information about any form of contamination with hazardous materials will be taken as a serious breach of thrust and will result in legal action. In case of any doubt, please contact the support team prior the shipping.
